

BayScapes Workshop

Wednesday, August 18, 2010 6:30pm - 8:30pm

The Stone House at Forest Hill Park, Richmond, VA

Come learn about environmentally-friendly landscapes that benefit the Reedy Creek watershed and Chesapeake Bay! This workshop will feature speakers that will talk about various aspects of BayScaping -- from wildlife habitat to native plants to rain barrels. This workshop is held at the Stone House in Forest Hill Park, which is near the intersection of Forest Hill Ave. and 41 St. in Richmond, VA. Space is limited. To sign-up, contact the Alliance for the Chesapeake Bay at djennings@acb-online.org.
